

Eastern Idaho Interagency Fire Center
Blanket Purchase Agreement

LODGING TERMS

The vendor shall furnish LODGING ACCOMMODATIONS upon request by EIIFC fire personnel and provided with an approved lodging authorization form.

The daily government per diem rate is \$60.00 plus an energy surcharge for Federal employees. However by using a Blanket Purchase Agreement (BPA), a rate that exceeds the per diem rate may be established. Keep in mind, when quoting a rate, the Contracting Officer and authorized personnel make every effort to rotate the BPA vendors used, but must strive to obtain the "best value" for the government.

The federal government is tax-exempt.

Items such as meals, alcohol, telephone calls, and movies are not allowed to be charged to the lodging BPA. The lodging establishment may turn off these items or require the occupant to give them a personal credit card to charge them to. The occupant is responsible for any additional charges incurred by his/her guests.

Lodging Charges

Lodging Charges One Person to Room: _____

Lodging Charges Two Persons to Room: _____

The above prices shall be in effect until superseded or cancelled by the vendor in writing.

Please list any additional amenities included with room (continental breakfast, exercise facilities, etc.)

Does your establishment charge for local phone calls? _____

I have read and understand the terms and conditions of this agreement.
