## **MEDIA ADVISORY**

### **Willow Wildfire Use Event—Public Meeting**

**LAKEVIEW, MT**— Interagency fire managers have scheduled a public meeting regarding the Willow Wildfire Use Event. It will be held at Red Rocks National Wildlife Refuge headquarters office in Lakeview, Montana at 11:00 a.m. tomorrow, August 26. Interested public and media can expect to discuss the fire management strategies and tactics being applied on the Willow Wildfire Use Event, located near Island Park, Idaho.

See below for driving directions either from Idaho Falls, Idaho to Lakeview, Montana (A to B) or from Island Park, Idaho to Lakeview, Montana (C to B).

For additional wildfire information in southeast Idaho, visit Eastern Idaho Interagency Fire Center's website or call the information hotline, both listed in the footer below.
