

# **2012 Fire Contract and/or Solicitation**

## **Region 4**

### **Re-advertisement for VIPR Fuel Tender requirement (R4 Only)**

R4 VIPR Fuel Tender Vendors:

#### **You will see a modification with the below wording from VIPR hit your inbox:**

Due to unforeseen circumstances, the R4 Fuel requirement will be re-advertised ([www.fbo.gov](http://www.fbo.gov)) and re-awarded for the remainder of the VIPR I-BPA 3-year cycle. The new R4 Fuel tender agreements will be a duration of 2-years and awarded on or about 15 March 2012. All current agreements from solicitation AG-84M8-S-11-7009 will be expired at that time of new award. If you wish to continue fuel tender resource support to interagency incidents for 2012-2013, please log on to [www.fbo.gov](http://www.fbo.gov) and access the new R4 fuel tender solicitation AG-84M8-S-12-7000 (posted now). A new response and award/agreement is required by the solicitation close date. If you have questions or issues, please contact the Contracting Officer.

#### **Your actions:**

Please sign the VIPR modification and send it back so there is acknowledgement in the system. Your current VIPR agreement is still valid until the day that new awards are made (around 15 March 2012). If you wish to continue an agreement for fuel tenders with USFS through VIPR, you will have to respond to the new solicitation. A new agreement and DPL will be produced after 15 March 2012 (time of new award). The synopsis for R4 fuel tenders is currently posed to [www.fbo.gov](http://www.fbo.gov) with the actual solicitation to be posted on or around 15 Nov 2011. The solicitation will be open for vendor responses until 15 Feb 2012. Further details are within the solicitation. Thank you and I hope you chose to respond to the new solicitation (AG-84M8-S-12-7000) and continue your support.

### **R4 advertisement handwash stations, grey, and potable ater trucks (AG-82X9-S-12-7000)**
