

MANAGER REPORT

BOISE DISPATCH CENTER

DATE: MONDAY AUGUST 31, 2009 PM

SIGNIFICANT EVENTS:

Listed the fires being considered for resource benefit first in the log. So far all other fires besides the four for possible resource benefit and one other one have been staffed and don't foresee any containment issues. So as far as the incidents listed these are either the ones reported today or they were just staffed today and not on report yesterday.

For 8/29-8/31 New starts: SWS 14. BOF 32. BOD 3. (11 Unable To Locate. 2 Same as *another incident*. 2 False Alarms)
