FEMA has modified ICS Forms, along with updated NIMS documentation. This information is posted at

<http://www.fema.gov/emergency/nims/index.shtm>

NWCG (through its committees) is reviewing FEMA ICS forms to determine (by adoption or modification of the FEMA versions) the best method to document actions and decisions for wildland fire incidents. At this time, *the NWCG ICS forms stocked by NWCG NFES Caches have not changed*. When NWCG decides on its ICS transition/adoption plan, changes to NWCG ICS forms (or other items) will be stated in NWCG NFES Cache Catalog and/or monthly Update and posted to the NWCG website [www.nwcg.gov](http://www.nwcg.gov)
