

# Eastern Idaho Interagency Fire Center

## Caribou City Fire

**Fire Information:** The Caribou –Targhee National Forest Soda Springs Ranger District is managing the Caribou City Fire for resource benefit.

**Date:** July 18, 2014

**Location and Area Closure:** The Caribou City Fire is located 15 miles SW of Alpine, WY and 36 miles NE of Soda Springs, ID. The Caribou City FS road 165 will be closed until deemed safe for public use.

**Fire Activity:** The fire is approximately 20 acres. The fire is burning in Sub-Alpine fir, and Lodgepole pine. Single and group tree torching is occurring with the main fire spread to the Northeast.

### Objectives:

1. Provide for public and firefighter safety.
2. Reduce the risk of a future high intensity fire.
3. Increase plant diversity.
4. Allow the fire to play its natural role in the ecosystem.
5. Encourage aspen regeneration.

**Contact Information:** Soda Springs Ranger District (208) 547-4356
