COURSE MATERIAL
ORDERING INFORMATION
COURSE MATERIAL ORDERING INFORMATION

Wildland Fire Observations and Origin Scene Protection for First Responders, FI-110, is available for purchase through:

National Interagency Fire Center
Attention: Great Basin Supply Office Cache
3833 South Development Avenue
Boise, Idaho 83705-5354

Necessary components for presentation of the course:

- NFES 2747 FI-110 Instructor Guide (one per instructor)
- NFES 2748 FI-110 Student Workbook (one per student)
- NFES 2749 FI-110 Course Materials CD-ROM

Students are required to bring:

- NFES 2724 Interagency Standards for Fire and Fire Aviation (if applicable)
- NFES 1077 Incident Response Pocket Guide

It is also suggested that the Course Coordinator be familiar with:

- NFES 2226 Course Coordinator’s Guide
Additional material and equipment needed:

- A computer with projector (LCD) and PowerPoint presentation software for electronic presentations.

- A white board with markers, chalkboard with chalk or flip chart with paper and felt tip markers, for the instructors.

- Tables, chairs, pencils, pens, and notebook paper should be supplied for the students.
